

# Eastridge Robotics Team 3157

January 3<sup>rd</sup>, 2018

"THE ENGINEER HAS BEEN, AND IS, A MAKER OF HISTORY." -JAMES KIP FINCH

WEEKLY UPDATES ON OUR TEAM

## Updates:

**The Eastridge Robotics Team wishes all a Happy New Year! We hope your holiday season was wonderful! We're glad to have you all back.**

**The team will be attending the build season kickoff at Webster Thomas High School.** A bus will leave Eastridge at 9am and take the students there. It is planned for the team to come back to Eastridge around 1pm to have lunch and brainstorm until 2pm. Parents are encouraged to come and support the team!

After the kickoff, the team enters build season with meetings on **Mondays, Wednesdays, and Thursdays 2:45pm-5pm and on Saturdays 8am-2pm.** All members are needed and crucial for the team's success.

**It is encouraged that parents volunteer to bring lunches for our Saturday meetings.** It helps the team greatly and allows the team to work their hardest.

**We can still benefit from more mentors!** If any parents have skills or know anyone with skills useful to our team, your help would be greatly appreciated!

**Our team is in need of sponsors!** Any help with finding possible sponsors would be of great help to our team.

**Thanks to all of our past and current mentors and members for being a part of our team!**

**The team is excited for another great season! Thank you all for supporting our team!**
